## Math: Mrs. Lumley

- ❑ For completion grades

Complete 2 Lessons on iReady.

Complete page 312 in the Practice and Problem Solving Workbook. Send me a picture of the completed page by Thursday, 4/2.

- ❑ Extra Practice

By now, you should have completed Lesson 31, 32, and 28 in both workbooks. If not, use this week to finish. There are additional (optional) practice pages on my website under Useful Links.

Visit my website for extra resources. <https://mves.hcde.org/cms/One.aspx?portalId=353732&pageId=97607>

## Science: Mrs. Miller

- ❑ Completion Grade

Complete daily assignments from the webpage. No online quiz this week.

Option 1: Take a picture of completed work and send it to me by 4/2. You can lay all the pages out side by side and take one picture instead of a picture of each page.

Option 2: Show it to me when we Zoom on Mondays.(So you will show me your work on Weathering, Erosion, and Deposition on Monday, April 13 if you are waiting to show me on Zoom.)

## Social Studies/Writing: Mrs. Miller

- ❑ Completion Grade

One journal entry for each day, March 30-April 2

See webpage for specific instructions on journal entries. Your entries may be handwritten or typed. Please email me your journal entries or take a picture of your entries and send them to me by 4/2.

Note: I have uploaded all assignments for this week into Google Classroom. Google Classroom will allow you to type your answers to questions right into a document and send it back to me. If you want to try it out, here is what you do.

1. Open up the Google Chrome Browser
2. Type in classroom.google.com
3. Click the + sign to join a class
4. Use code 637cqhl for Science
5. Use code fe6b2gn for Social Studies
6. The Password is mves2020 for both (if you need it)
7. Once you are in a class, just click on the assignments that are posted. New assignments will be posted daily.

You do not have to do the assignments this way, but I did have some kids that wanted to type their answers on the web page document which won't work. I would love feedback if you do try it out and let me know what you think.

## ELA: Ms. Williams

Text: Rechenka's Eggs by Patricia Polacco

Watch the read-aloud video of Rechenka's Eggs narrated by Patricia Polacco or read the provided text to yourself (both are on my MVE webpage).

- Choose 2 of the response activities to complete and take the QUIZ. These items are found on my MVE web page. Take a pic and send them to me by Thursday 4/2/20 or attend the ELA Zoom meeting on Friday and share your work with me then. (I am willing to host Zoom meetings on Friday for anyone who shows up to show off their responses - even though it is technically the first day of Spring Break).
- Do 2 i-Ready Reading Lessons.

## Related Arts Resources

Here you will find many activities provided by the Related Arts Team.
